

B4

47. The process according to claim 35, wherein the at least one non-ionic surface-active agent is a polyethylene glycol comprising a dendritic benzyl polyether head.

48. The process according to claim 35, wherein the at least one non-ionic surface-active agent is a polyoxyethylene alcohol.

49. The process according to claim 35, wherein the at least one non-ionic surface-active agent is a polyoxyethylene nonylphenyl ether.

50. The process according to claim 35, wherein the at least one non-ionic surface-active agent is present at a concentration ranging from 0.01% to 10% weight/volume of said composition.

51. The process according to claim 50, wherein the surface active agent is present at a concentration ranging from 0.02% to 5% weight/volume of said composition.--

REMARKS

With entry of this Amendment, claims 1-20, 22-25, and 27-51 are pending in the application.

Applicants have amended the claims to correct typographical errors and to conform them to U.S. practice. Claims 21 and 26 have been cancelled without prejudice or disclaimer and rewritten as new claims 38 and 41, respectively. See 37 C.F.R. § 1.121. New claims 39 and 40 are directed to subject matter previously recited in claim 32, and claims 42-51 are directed to subject matter previously recited in 37.

Applicants do not believe that entry of this Preliminary Amendment requires payment of a fee, or an extension of time. However, to the extent any extension of time under 37 C.F.R. § 1.136 is required to obtain entry of this Amendment, please grant any such extension of time and charge any required fees to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
